Mental Health Matters: The Hauser Youth Leadership Team and Counseling Department will be sharing information, resources, and offering activities the month of October to increase mental health awareness, reduce stigma, and connect resources. Did you know that there is a new crisis hotline? If you aren't at school and need help, you can call or text 988 or chat 988lifeline.org for yourself or if you are worried about a loved one who may need crisis support. You can reach a trained crisis counselor who can help. 988 offers 24/7 access to trained crisis counselors who can help people experiencing mental health-related distress. That could be: - Thoughts of suicide - Mental health or substance use crises - Emotional distress - And other reasons to connect Now, we are going to watch a quick video about the 988 resource that was sent to teachers to display.
